Place

Festival Field

Springfield Road (one block south of the corner of Springfield Road and NYS Route 86)

Wilmington, NY 12997

Description

Welcome to beautiful Wilmington, NY, the home of Whiteface Mountain and the 2nd annual **10K Whiskey Run!** But why a Whiskey Run you ask? As it turns out, the area has quite a storied history with liquor, legal and otherwise. During the War of 1812, Wilmington supplied good rye whiskey to the American troops at the Battle of Plattsburgh as part of their daily ration. During prohibition with its proximity to Canada, Wilmington residents distilled moonshine and provided temporary haven for bootleggers crossing the border, and to this day, Wilmington is home to US Barrel, the oldest whiskey barrel cooperage in the Northeast. So with our somewhat checkered history and natural beauty we invite you to join us for the annual Wilmington Whiteface 10K Whiskey Run June 16th, 2018 starting at 9:30 am at the Festival Field in Wilmington. Following the race is the awards ceremony with food available for purchase at Festival Field. Run participants will receive a t-shirt and a “swag bag” filled with quality local goods.

10k Run- (race must be completed by 11:30 AM to qualify as race finisher)

Remember to run on the left side of the road facing traffic. Water stations are located at approximately the 3K, 5 K and 8 K locations. Porta-potty available at the 5K location.

Begin at Festival Field, go north on Springfield Road until you reach NYS Route 86 and turn left. Continue on NYS Route 86, crossing the stone bridge and the AuSable River. Continue to the four corners, turning left to stay on NYS Route 86. Continue to Bowman Lane (aka Beach Road). Turn around at the barricade to go back out to NYS Route 86 and turn left. Go 3 km and turn left (east) onto Fox Farm Road (it has a left-hand running/biking lane). Just past the 5km mark (at the entrance to the KOA Campground) there will be an aid station with a porta-potty and a water station. Continue on Fox Farm Road, cross Springfield Road to Indian

Rock Road. Continue on Indian Rock Road (a loop road) for about 1 km until you return to Springfield Road. Turn right onto Springfield Road (the running/biking lane is on the left-hand side). Continue on Springfield Road until you reach the Festival Field turning left to the finish line, back where you started.
