

## **PROGRAMS PLANNED FOR 2021**

Due to COVID-19, our 2020 programs and events will be postponed or rescheduled as dates for particular presentations and needs dictate. All of our Summer Speaker Series Events are postponed until 2021 with ALL of our planned speakers pledging to re-schedule to next year, including such intriguing topics as “Prohibition in the North Country” with author Lawrence P. Gooley, “Seeing the Forest and the Trees: Integrating History & Genealogy” with genealogist Nancy Smith, “High Falls Gorge History & Tour,” “Rural Rosie” with educator Katie Torchetti, and a “Pack-Basket making Class” with artisan Jessica Mulvey. The actual dates for these programs will be scheduled as we get closer to the summer of 2021. We look forward to this great list of programs and hope you will join us in 2021!
